SOFTWARE ENGINEER

Proficient Full Stack Developer with over **4 years** of experience, specializing in **front-end engineering**. Demonstrated expertise in creating user interfaces, writing and testing code, troubleshooting issues, and implementing new features. Proven track record of enhancing business productivity and user experience through innovative solutions.

SKILLS

Languages: JavaScript, TypeScript, Java, HTML, CSS
Frameworks: ReactJS, Angular, Redux, React Saga, NodeJS, Express, Spring Boot, Hibernate
Tools: Webpack, Git
Databases: MySQL
Architectures: Microservices, Microfrontends

PROFESSIONAL EXPERIENCE

Visa Inc.   **Oct 2023 - Present**
Senior Software Engineer

- Building robust and responsive user interfaces using **Angular & React**.
- Implementing RESTful APIs for seamless communication between frontend and backend systems.
- Collaborating closely with cross-functional teams to deliver innovative solutions that meet user requirements and business objectives.

Highradius Technologies   **Jan 2023 - Oct 2023**
Software Engineer I

- Developed LiveCube, **a no-code platform** for CFO offices using **ReactJS, TypeScript, SpreadJS, Java, and Spring Boot**. Designed for A/R, Treasury, and Accounting users, it enhances standard Enterprise Application functionalities with an Excel-like spreadsheet interface.
- Delivered several complex use cases for the platform and **enhanced the performance of the platform by 30%.**
- Mentored junior developers and supervised the development process for their user stories.

Highradius Technologies   **Jul 2022 - Dec 2022**
Associate Software Engineer II

- Planned and executed the creation of a design system and a modular and **reusable ReactJS component library** for the CFOTech application suite.
- Improved the stability and performance and delivered several use cases for APaaS, **a Low Code/No Code platform** using **ReactJS, Typescript, Java, SpringBoot & MySQL**.
- Collaborated with multiple stakeholders to plan and deliver several use cases for the application suite.
- Mentored several junior developers, did code reviews, and supervised the development process for several user stories.

Highradius Technologies   Jun 2021 - Jun 2022
Associate Software Engineer I

- **Managed and mentored a team of 9 interns** to ensure delivery of features with quality for the product.
- Analyzed requirements, proposed technical designs, and supervised the development and testing process for various user stories.
- Created web apps for the new CFOTech initiative of the company using **Spring boot, Hibernate, Java, Microservices, ReactJS and Typescript and MySQL**.
- Planned and executed the creation of a framework for supporting dynamic layouts on Ul using **ReactJS, Redux & Typescript** for faster and efficient development.

Highradius Technologies   Apr 2020 - Jun 2021
Software Engineer Intern

- Worked with Autonomous team on live projects.
- Spearheaded the development of innovative features using **JavaScript, ReactJS, Redux, and Material UI** to enhance application functionality.
- Proactively tackled and **resolved critical bugs and defects**, ensuring seamless user experience.
- Implemented the transformative Trifecta design system, elevating visual aesthetics and usability across the application.

HCL Technologies   Apr 2020 - Jun 2021
Software Engineer Intern

- Developed a **Java AWT-based application** integrated with **MySQL** to efficiently manage event data and create a system for institutions to track various campus events, improving organization and oversight.
- Played a key role in backend development, ensuring robust performance and seamless database integration.

EDUCATION

KIIT University, Bhubaneswar | 2017 - 2021 | 9.2/10
Btech in Computer Science Engineering

Delhi Public School, Lucknow | 2016
12th | CBSE

Delhi Public School, Lucknow | 2014
10th | CBSE

ACHIEVEMENTS

- Highflyer of the Quarter (Q1 2021 & Q1 2022) & Award of Applause (Q3 2021) by HighRadius.
- Represented KIIT University in **5 NCC state camps** held in Odisha (2019)
- **NCC C Certificate holder**
